Service Letter No. 2015-1

June 4, 2015

**Subject: Elimination of Caterpillar Spacer, JVS P/N 025959, CAT P/N 166-6370
Obsolescence of the Associated Brake Kits**

Models Affected: CAT 336, 336A

JVS Groups Affected: 018946, 022004, 014768, 022003

CAT Groups Affected: 148-7407, 148-7452, 143-6718, 148-7451

Effective Date: June 4, 2015

As of June 4, 2015, Jacobs Vehicle Systems service parts will be eliminating the Caterpillar spacer (JVS p/n 025959, CAT p/n 166-6370) as well as obsoleting the following brake kits associated with the CAT spacer 025959:

CAT P/N	Jacobs P/N	Brake Model
148-7407	018946	C336 24VDC
148-7452	022004	336A 24 VDC
143-6718	014768	C336 12VDC
148-7451	022003	336A 12 VDC

This spacer will be eliminated from all aforementioned brake kits. Should the spacer be needed to complete the brake kit, the spacer should be obtained from a third party source as it will no longer be available from JVS. All other brake kit components will continue to be available.
